

(1) Airline & Airport Terminology Crossword

Across

- 1.** An aircraft with a single aisle with seats on either side of the aisle.
- 6.** Term used by commuters to refer to their "home away from home." Also referred to as a "Commuter Apartment." Usually shared by several commuters to reduce costs.
- 11.** The pilot in command of an aircraft who is responsible for the safe operation of the flight.
- 12.** The FAA agency that controls the movement of aircraft both on the ground and in-flight.
- 13.** Accrued time (in a sick bank) that is required to receive paid sick days.
- 15.** The area inside an aircraft where meals and beverages are prepared by flight attendants.

Down

- 2.** The procedure for preparing an aircraft door so that its associated escape slide will deploy upon opening.
- 3.** Specified doors and windows on an aircraft used during an emergency evacuation.
- 4.** The process of traveling on an aircraft as a passenger while on-duty (often in uniform). Flight attendants frequently deadhead to reposition for flight segments originating from other cities. Usage: "I have a --- to Boston."
- 5.** The highest class of service onboard an aircraft. Amenities may include larger seats, complimentary cocktails, and upgraded meal service.
- 7.** A militaristic act of aggression by a passenger onboard an aircraft whereby crewmembers and other passengers are taken hostage until the hijacker's demands are met.
- 8.** The date a flight attendant begins or graduates from training. Date of hire establishes a seniority number within an airline.
- 9.** Flight attendants bid on monthly lines, vacations, and domiciles. Bid results are awarded based on relative seniority.
- 10.** A period of time a crewmember is scheduled to remain at a specified location.
- 14.** The largest and normally most basic class of service on an aircraft. Some aircraft have only a coach class of service, while on others, coach may be a part of a 2 or 3 class configuration.
