Date: \_\_\_\_\_

# Across The Lab

## Across

- 2. Whoop, there it is!
- 8. Beers go here at home, pee goes here in the lab (patient pee that is
- 10. Because I don't trust my math skills
- 12. Squares good for scraped paws, a broken schnoz or surgically-fixed flaws
- 13. \_\_\_ phone, prison \_\_\_\_, white \_\_\_\_, red \_\_\_\_

## Down

- 1. A Streptococcus PNEUMoniae sample takes a ride through the \_\_\_\_ tube system
- 3. Sticky, colorful, informative
- 4. Professional, serious, hard-working people are allowed a little wackiness during these celebratory seven days
- 5. Know when you work!

- 6. Biological materials that carry a significant health risk
- 7. On samples, price tags and postage
- 9. bike \_\_\_\_, \_\_ your brain, sample \_\_\_\_, \_\_ of ribs
- 11. I can be empty or I can be filled. I might need the dark or perhaps to be chilled. Sometimes I'm too short or I might have a clot. For better or for worse, you work with me a lot.
