solution of an inequality  
numerical expression  
compound inequality  
interval notation  
function rule  
like terms  
constant  
range

solution of an equation  
algebraic expression  
dependent variable  
linear inequality  
input values  
relation  
at most  
term

properties of equality  
equivalent equations  
inverse operations  
continuous graph  
coefficient  
identity  
formula

independent variable  
arithmetic sequence  
common difference  
discrete graph  
reflection  
equation  
domain
