

America in the 1920's

Across

- 5. Makes importing or exporting goods from a country difficult and expensive
- 7. A small suburb just outside LA
- 9. The opposite of conservative
- 10. Women who wore short skirts, bright clothes and lots of makeup, had bobbed hair.

- 12. Republican policy - where government interferes as little as possible

Down

- 1. A type of shop that has the same shop many times
- 2. Line where one worker only does one thing
- 3. This type of music became popular

- 4. 5% of people became this at the peak of the boom in 1929
- 6. New purchase scheme
- 8. A big employer that struggled in the boom (hint - it mines an unrenewable source)
- 11. Before the war, this had been a taboo subject. After it was a normal topic of conversation
