# Ancient Rome Vocab

## Across

2. a letter. Paul wrote these to keep in touch with Christians in other cities.

3. a follower of a teacher or leader. These people were Jesus's special group.

8. form of government that allows citizens to choose representatives. The early Romans didn't want a king any more, so they decided to make a this.

9. a member of the upper class. In Rome, they served in the Senate.

11. a loose garment worn in public. Senators wore these when they were standing outside the Curia.

12. a brief story that teaches a moral lesson. Jesus used these simple stories to make his point to his disciples.

13. a charm worn for protection. At the naming ceremony, a child would receive this.

## Down

1. to treat cruelly and unfairly. Christians got this because they didn't worship the emperors.

4. one of the common people. These people were the majority of the citizens in Rome

5. a person making a complain against another in a court. The first rule in the Twelve Tables states that this must summon the defendant.

6. a person who takes complete charge of a government. Caesar took this place in Rome in 44 B.C.

7. a person who is being accused. This person is being accused in court.

10. structure made for bringing water from one place to another. This helped people in Rome get water from place to place.
