

Applying Ethical Theories

Across

3. In NML, abortion goes against this primary precept as it murders what God creates
 9. Aquinas stated that a human person with a rational _____ is present at around 60-80 days after conception
 11. Designer babies are not created in the _____ of God
 12. Aquinas' writing
 13. This person wrote about virtue theory and abortion, Rosalind...

Down

1. This virtue could allow abortion as it suggests we should be open to ideas and free from prejudice
 2. Genesis: 'Whoever sheds the _____ of man, by man shall his _____ be shed'
 4. When applying SE to an issue, we must consider the four working principles of relativism, positivism, personalism and...
 5. Flourishing society: E.g. designer babies saving siblings, sibling now has chance to reach _____

6. Greek term Euthanasia translates as...

7. Restoring balance in society. If a person takes a life they should give their life (for balance). But the motive of taking the criminal's life would need to be virtuous
 8. Humans are _____ (free to act independently)
 10. In SE, abortion is judged in each individual situation using this calculator
