

# Attendance Matters

## Across

4. Formal recognition of the course you've done - you'll get a certificate

7. A number of learners working together

10. You'll get to live away from home when you study here

12. The collective name for the sessions you attend

13. Not a good stage to be... you'll need to attend this meeting if your attendance is low

16. Definitely not a reason for authorised absence

17. The person who delivers your class

## Down

1. The College will be asked to write this report about you when you apply for a job

2. The person you see regularly, for pastoral/emotional/other support (abbreviation)

3. Think long-term after you've finished studying

5. Another word for being on time

6. Assignments you do at home

8. Hope you'll get fixed up with this... you'll get paid

9. If you're stuck and don't understand the subject content, you must ask for this

11. You'll learn new ones whilst studying

14. The overall name for the establishment you're studying in

15. One of the reasons when absences can be authorised
