right lower quadrant  
left lower quadrant  
large airways  
expiratory  
Upper lobe  
left lung  
crackles  
hilum  
s1

right upper quadrant  
left upper quadrant  
high pitched  
lower lobe  
air entry  
posterior  
gurgling  
bell  
s2

abdominal quadrants  
peristaltic sounds  
inspiratory  
right lung  
bronchial  
vesicular  
stridor  
dub

adventitious sounds  
smaller airways  
pleural rub  
upper lobe  
diaphragm  
anterior  
wheeze  
lub
