

# Behaviour Guidance

## Across

2. I can see you have worked blank hard at that drawing  
 3. I blank you know how happy that choice makes me  
 5. It looks like you need a blank  
 6. Here is an empty blank to pour the water into so we don't waste it

10. Look, your friends are blank on the floor  
 11. There is a more blank way that you can talk to that child  
 12. Your friends enjoy seeing you blank with them  
**Down**  
 1. Here is your blanket to blank while you are sad

4. I would like to see you make the right blankk  
 7. You're crying so I can see that you are not blank  
 8. Five more blank until clean up time  
 9. I am always blank when I see you being so kind to your friends
