

Biomolecules

Across

2. Many monomers
 4. Monomer of a nucleic acid
 5. Monomer of a lipid
 9. Unsaturated fats are _____ at room temp
 10. Polymer of a lipid
 13. Saturated fats are _____ at room temp
 14. Polymer of a protein

17. Monomer of a protein
 18. Polymer of a carb
 19. Good type of fat
 20. Monomer of a carb
Down
 1. One unit
 3. Bad type of fat
 6. Organic molecules and macromolecules also known as

7. Quick, short term energy
 8. Most important sugar
 11. Stores genetic information
 12. Stores long term energy
 15. Builds muscle
 16. Polymer of a nucleic acid
