

Business Term Review

Across

- 1. Adding up all interest payments to the present date or over the loan's entire term or life.
- 8. You should always try to have a good available for sale in case you need some liquidity quickly.
- 9. You should always try and keep a cool head when you are dealing with crisis management and not make any rash decisions.
- 10. We had really good data management systems in place to make sure that everyone had the right kind of access to the information.

- 11. Number of days by which a debtor or acceptor of a draft may exceed the due date before being in default.
- 12. The existence of a multiplicity of sub-cultures and different value systems in a plural or multicultural society or other setting.
- 13. Always paying my loans on time gives me a good credit score.

Down

- 2. High speed data exchange between computers and/or other electronic devices via cable or wireless.
- 3. The cost that a dealer of a product passes onto the buyer in the overall price.

- 4. Going over my balance is going over my credit line.
- 5. Computer facility designed for continuous use by several users, and well equipped with hardware, software, peripherals, power conditioning and backup, communication equipment, security systems, etc.
- 6. Collection and evaluation of data associated with customer needs and market trends, through customer focus groups, customer satisfaction measurement, field testing, etc.
- 7. Me and a classmate from India will have a
