# Campus Life & Roommates

## Across

2. discuss sharing food, clothing, items that are off limits, time you go to bed, times you get up
5. how well you and your roommate get along
7. selection occurs in various ways
8. dorm-like atmosphere, financial aid will apply, usually have a common area where it is easy to make friends, common laundry facility
9. use your key to lock your door always, sometimes will have RA
10. some get quiet, some angry and yell, some avoid

## Down

1. help with safety on campus
3. techniques to overcome this include talking it out, getting involved, physical exercise, joining interest groups, join a church/church group
4. sometimes cheaper is you have a roommate than dorms, possibly not covered under financial aid, no campus security, more space
6. has training in conflict management
