

# Campus Resources and Support Services

## **Across**

**7.** I am a math, engineering, science major and in need of individualized attention regarding transfer.

**12.** I just registered for classes and need to make a payment.

**13.** I am undecided about my career goals and major. I need help with career exploration.

**15.** I am having difficulty processing information and may need accommodations for my courses.

**16.** I need additional support; more than the what the traditional programs can give me.

**17.** I need help with research for my paper.

**18.** I need to create a student educational plan and discuss general education.

## **Down**

**1.** I will be enrolling in a class for a third time and I need to complete a Repeat Petition. I also need to order official transcripts.

**2.** I am unmotivated and often depressed. I need to talk to a therapist.

**3.** I am a veteran and I need to know how I can be eligible for benefits.

**4.** I am a parent receiving public assistance and need additional support as a student.

**5.** I don't know how I am doing in my class. I can see my instructor during this time.

**6.** I am having childcare issues. I can visit the Center for Early Childhood Education about this program.

**8.** I am adjusting and returning to life as a student after working most of my life.

**9.** I can't afford the required textbooks. It costs too much to buy, I would like to rent my textbooks instead.

**10.** I am having difficulty paying for courses and expenses for school.

**11.** I would like to speak with a university representative about transfer.

**14.** I need tutoring with my English and math courses.
