# Caring for boxing gloves

## Across

- 2. stuff this inside gloves to absorb moisture
- 3. do this to your gloves after every session
- 5. add a few drops to water to clean gloves
- 7. can make your gloves smell nice
- 8. Do not ever soak gloves in this
- 9. don't leave gloves inside these for too long

- 10. do this to your wraps every week or so
- 11. can be used as a quick way to dry out gloves

## Down

- 1. sprinkle a little in gloves to eliminate moisture
- 4. this can develop inside gloves that are not cleaned regularly
- 6. do not ever leave your gloves in direct light of the .....
