

CELLS

Across

- 2. Makes ER Rough
- 8. RNA stands for _____ acid
- 9. Smallest unit of life
- 10. Fluid inside a cell
- 11. DNA stands for _____ acid

Down

- 1. Unicellular Organisms
- 3. Multicellular Organisms
- 4. Threadlike proteins joined together
- 5. A large macromolecule
- 6. Animal cells do not have these
- 7. Inside the nucleus
