

Name: _____

Date: _____

Cells

Across

- 2. ph of 7
- 5. Ph below 7
- 7. Are proteins
- 9. fats oils water
- 10. the internal balance
- 11. monomer that makes up a carbohydrate

- 12. PH above 7
- 13. Made of sugars
- 14. many sugars linked together

Down

- 1. all the chemical that occur reactions
- 3. DNA and RNA

- 4. Chemical reaction by lowering activation
- 6. building blocks of proteins
- 8. simple sugar blood
