

# Chapter 9 Muscular system

**Across**

- 3. muscles that flex the shoulder pg 322
- 5. muscle function
- 7. muscle flex elbow page 323
- 8. muscle properties
- 12. structure of cardiac muscle
- 14. muscles that flex the neck
- 18. cell structure

- 19. smooth muscles are
- 20. sacomere-myofibers
- 21. muscles that protect the scapula pg 320

**Down**

- 1. Muscle potentials pg 302
- 2. muscle contraction
- 4. structure of smooth muscles pg 308
- 6. muscles that compress abdomen

- 9. structure of a cell
- 10. muscle that compress the abdomen pg 329
- 11. structure of skeletal muscle pg 344
- 13. muscle that help scapula move
- 15. muscle action potentials pg 302
- 16. contaction of muscles
- 17. muscle organization
