

Name: _____

Date: _____

Chemistry

Across

- 3. The mass of one mole of a pure substance
- 8. Ammonia: Base or Acid
- 9. Ph range of acids.
- 10. Chemical that donates electrons/accepts protons
- 11. What element is #3

Down

- 1. Common acid
- 2. $A + B \rightarrow AB$
- 4. Vinegar: Base or Acid?
- 5. Le Chatelier's Principle: No Shift reaction.
- 6. What is element #8
- 7. What does a base taste like?
