# Cold War Pt. 1

## Across

1. giving priority to one's own goals over group goals and defining one's identity in terms of personal attributes rather than group identifications

8. giving priority to the goals of one's group (often one's extended family or work group) and defining one's identity accordingly

9. A political system in which the supreme power lies in a body of citizens who can elect people to represent them

10. A form of government in which the ruler is an absolute dictator (not restricted by a constitution or laws or opposition etc.)

## Down

2. American policy of resisting further expansion of communism around the world

3. the property of distributing economic prosperity uniformly among the members of society

4. the power or right to act, speak, or think as one wants without hindrance or restraint.

5. An economic system based on private ownership of capital

6. a political theory derived from Karl Marx, advocating class war and leading to a society in which all property is publicly owned and each person works and is paid according to their abilities and needs.

7. A system in which society, usually in the form of the government, owns and controls the means of production.
