College Visits

Across

- 2. A walk around campus guided by a student
- 7. This takes place in a group and is usually about an hour long. You will learn all about the school from an Admission Representative, then be able to ask questions
- 9. Take a look at one of these to get a sense of class sizes
- 10. one-on-one meeting when an Admission Representative gets to know you better

Down

- 1. You can send one of these to your tour guide or Admissions Representative after you get home

- 3. Stop by here for lunch if you have the chance
- 4. Ask to speak with one of these people if you know what you want to study in college
- 5. A very large campus visit program which may include a tour and a faculty or student panel
- 6. You may meet with this person if you are interested in playing a sport in college
- 8. Don't wear one of these on a college visit
- 11. Target number of schools to visit in one day
