

Conflict

Across

4. Avoiding the issue

9. When clearly expressed cues are used during an interaction

10. Focusing on someone's persona, rather than their argument

11. When one is playing the victim to divert an attack

12. A state of disagreement when people believe they are irreconcilable

13. The feeling you get in a relationship when you want something, but the other person wants something else.

Down

1. EX: Parents vs. College student

2. Most common cause of conflict

3. EX: Accountant Vs. Adventurer

5. EX: Extrovert Vs. Introvert

6. Interaction with numerous non-verbal cues used.

7. Hints at the true meaning of the conversation

8. Name calling, sarcasm, and mockery
