# Conflict Resolution

## Across

4. This is a nice way to treat others that begins with a "K"
5. A four letter word that you would say if you wanted to try to mend a friendship after a fight
8. A disagreement between two or more people
9. This is when you aim to fix a problem that has happened between two or more people
11. A close bond between two or more people that you have things in common with

## Down

1. This is a feeling when you have done something wrong and you want to resolve it
2. This is a way that we treat others so they feel that we care about their feelings and treat them with kindness
3. A type of fight where it needs to be addressed with a resolution
6. This is a feeling where you face might go red and you might clench your fists
7. A person who is nasty to others and makes them feel sad or angry
10. This is a feeling where you might feel really blue and want to be alone
