

# Council Aspects

## **Across**

6. A group of people elected to represent the area.
8. Employed by council to enforce regulations.
9. The name of the council that looks after the Shoalhaven.
10. Money paid to council by each household for services.

## **Down**

1. Council lets people request to fix, upsize or downsize their bins.
2. Something that the citizens can do to help the community.
3. Council also looks after these.
4. What council does to improve the roads.
5. Something that council plans and works on which may take a long time.
7. Must submit one of these applications to build.
