

# Crisis Counseling

**Across**

7. It isn't the actual event that's the problem, it's the individual's \_\_\_\_\_ to the event that's the problem.

9. In crisis situations, counselors always make sure to connect the client with additional \_\_\_\_\_ that can further their development.

10. 24-hour crisis \_\_\_\_\_.

11. Develop client's coping \_\_\_\_\_.

12. As always, for the counselor, active \_\_\_\_\_ is important!

**Down**

1. One of the top goals of crisis counseling is to ensure the client's \_\_\_\_\_.

2. Crisis counseling falls under the umbrella of \_\_\_\_\_ counseling.

3. The goal of the counselor is to help the client return to normal \_\_\_\_\_.

4. Safety, stability, \_\_\_\_\_.

5. Assess the \_\_\_\_\_; one of the key elements in the crisis counseling process

6. An unstable or crucial time in which a decisive change is impending, especially one with a possibility of a highly undesirable outcome.

8. True or false: It's possible for firefighters to be crisis counselors.
