

Crossword Competition - Poetry Terminology

Across

- 2. rhyming words not necessarily at the end of the line.
- 5. when a sentence runs over a line in poetry
- 10. emotion behind a poem
- 11. when the setting reflects the mood
- 14. the use of non-literal language, such as in similes and metaphors
- 16. stanzas of 4 lines
- 18. a paragraph in a poem

19. punctuation used in the middle of a line of poetry

20. repetition at the beginning of the line

21. a group of words united by the same idea or theme.

Down

- 1. a stanza of 3 lines
- 3. metaphors relating to sound or aural sensory description.
- 4. point of view
- 6. two contrasting ideas placed next to each other

7. informal, slang vocabulary

8. speaker in the poem

9. a poem in the form of a speech from a character

12. alliteration of an 's' sound

13. the type of word, e.g. verb or personal pronoun.

15. a form of poem that mourns someone's death

17. a form of poem that has 16 lines, a specific rhyme scheme, and a shift after line 8. It is traditionally a love poem, although modern authors often play with this idea.
