

Name: _____

Date: _____

DNA

Across

2. A=T G=C

9. Also contributed to finding of dna x-ray

10. Provides info about organisms

12. Found in nucleus/determines genes

14. Gives commands/brain of cell

15. A,T,C,G

16. Founders of dna x-ray

Down

1. Bonds nitrogen bases together

3. Composed of monomers/building blocks?

4. Bonds with cytosin

5. Basic unit of life

6. Structure of dna

7. Part of backbone of nucleotide

8. Only part of rna

11. Is made by dna

13. Bonds with thymine
