

DRIED FRUITS

Across

1. My name changes from when I am fresh to when I am dried.
4. I am often mistaken for a vegetable, and when dried I am sometimes used on pizza.
7. I come from a round fruit, but when dried I am in strips.
8. I have lots of seeds inside, but I am grown on a tree.
9. I am one of the few green fruits.
10. I am grown and made mostly in California.

11. When I'm in fresh-fruit form I am the size of a small fist.

Down

2. I come in dried pieces that look like hoola hoops.
3. I get turned into a sauce-like form for some holidays.
5. When I am dried, I am called " _____ chips".
6. When I am fresh I look like a small lemon, but when I am dried I am used as a sweetener.
