# Dans la salle de Classe

## Across

- 4. There's at least one in every classroom
- 9. It can be open, it can be closed
- 10. Not every student in the class gets to use one, yet!
- 14. You're not allowed this in class!
- 15. Work will appear brighter if you use it
- 17. You put it up at the end of the day

18. They come in different colours, usually black, blue or red

19. You look at it hoping it'll go faster

20. You use it to keep your work in line

## Down

- 1. If you make a mistake, you need it!
- 2. Every subject has at least one
- 3. You use it in maths

5. You put your pens in it

6. You use this to draw, not write

7. A teacher writes on it everyday

8. It can be very heavy

11. You gaze out at the world through it

12. If you lose it, you may cry

13. You need it for your homework

16. You learn how to use them in geography
