

ELA III Midterm Vocabulary

Across

2. Illustrates or reveals information, traits, values, or motivations of one character through the comparison and contrast of another character
6. Consists of all of the shares into which ownership of a corporation or company is divided. A single share means fractional ownership of the corporation in proportion to the total number of shares
7. The ideal by which equality of opportunity is available to any American, allowing the highest aspirations and goals to be achieved
10. Requires a sacrifice of some present asset, such as time, money, or effort to generate a return from the asset

11. A tenant's regular payment to a landlord for the use of property or land
12. An interest-bearing certificate of public or private indebtedness
13. The first sentence of a paragraph; contains a claim and restates the question
14. The moral or lesson learned from a literary text; there is usually more than one; something that you have to infer after reading a text

Down

1. The two sentences in a body paragraph that explain the quotation and how the quotation connects back to the claim
3. The last sentence of a body paragraph that restates or rephrases the claim

4. The sentence of a body paragraph that provides a quotation to support your claim, and provides a source to the quotation
5. A statement that asserts something to be true in an argument or writing, another name for thesis
8. Ownership of assets that may have debts or other liabilities attached to them; homeowners acquire this as they pay their mortgage each month
9. A loan used to purchase or maintain a home, land, or other types of real estate. The borrower agrees to pay the lender over time, typically in a series of regular payments that are divided into principal and interest
