

Name: _____

Date: _____

Elements

Across

- 5. has 88 protons
- 6. has the atomic number 87
- 9. has an atomic symbol of H
- 12. Has the atomic symbol Xe
- 13. has the atomic symbol He
- 16. has atomic symbol Au
- 17. has atomic symbol 24
- 18. has the atomic number 86
- 19. has the atomic number 36
- 21. has the atomic symbol Be

- 22. has the atomis number 55
- 23. its atomic symbol is Na
- 24. has atomic symbol Sr
- 25. has atomic number 20

Down

- 1. Has atomic symbol Fe
- 2. has atomic symbol Ba
- 3. this element has 3 protons
- 4. has 12 protons
- 7. has atomic number 30
- 8. has 118 protons
- 10. has atomic symbol Ag

- 11. has the symbol Rb
- 14. has 19 protons
- 15. has the atomic symbol Ar
- 20. is a noble gas with ten protons
