Name: _____ Date: _____

Engineering

Across

4. made the cyclotron
5. made the 3-D printer
13. made landfill gas-powered fuel cells
16. made the T.V.
17. made cables
20. made the air-conditioner
21. made the globe
22. made quality and practical juice can filling machinery
23. made switching solar window
25. made the photograph
26. made machine designs

Down

1. made the high vacuum oven
2. made animal habitats
3. made the phone
6. made T-shirts
7. made the radar
8. made pedal-powered blimps
9. made the x ray
10. made design verifiers
11. made some form of medicine and other cures
12. made devices
14. made the tax map
15. made the plane
18. made the artificial heart
19. made food packaging
24. made the radio
