# Engineering Jobs

## Across

- 3. Eco-friendly products that sustain energy
- 6. Lab instruments
- 7. heating
- 10. safer airplanes
- 12. Tendt to battery of automatic machines
- 16. Yacht blueprints
- 18. ways to eliminate waste
- 19. Ways to stop pollution

21. Vehicle blueprints

23. blueprints

26. safer tunnels

## Down

- 1. Big factory machines
- 2. Easier ways to get oil
- 4. robots
- 5. Safer x-ray equipment
- 8. ultrasound
- 9. Software testing

11. food preservatives

13. power stations

14. bridges

15. Stronger plastics

17. artificial organs

20. software

22. programming languages

24. Complex electronic engineering systems

25. Safer boats
