# Ethical Dilemmas

## Across

6. A conflict of interest may be due to unintentional \_\_\_\_\_ rather than intentional deceitfulness
7. A common behaviour that should be avoided in order to also avoid conflicts of interest ?
8. If a conflict of interest is not disclosed to the client right away , what may be broken ?
9. What is our topic?
10. What major code of ethics can be violated by conflicts of interest?

## Down

1. What special consideration did we talk about?
2. What kind of influences may affect a worker's professional responsibilities ?
3. What can you arrange in order to establish boundaries at the beginning of your sessions?
4. What case study did we use to describe the worker's behaviours?
5. The worker must \_\_\_\_\_ a conflict of interest in order to attempt to resolve it.
