

Fallacy Review

Across

3. Although our numbers in sales have decreased, we should continue with our same strategy because our CEO knows what's best.

9. Obviously the priest is telling the truth about reincarnation. He would never lie to us.

11. We can either agree with Sammie's plan or just let the project fail. There is no other option.

13. If you donate \$5, you will help save the life of this injured puppy.

14. In order to really look at the problem of global warming, we must first consider how the homeless suffer when it's cold.

15. The rooster crowed and the sun came up. Therefore, the rooster made the sun come up.

Down

1. I believe that our current president won the election by forgery. Can you prove me wrong?

2. A member of my team became more engaged after taking a speech class. Therefore, we should make it mandatory that everyone to take speech.

4. If we use one more can of hairspray this month, earth as we know it will no longer exist.

5. Why do gun owners like violence?

6. The sign said, "Fine for parking here". So, since it was fine, that's where I parked.

7. The majority of people believe that more money should be spent on billboards, so billboards are objectively the best form of advertisement.

8. This is the worst idea ever! Hey guys, John doesn't want us to have fun.

10. Cutting people with knives is a crime. Surgeons cut people with knives, therefore surgeons are criminals.

12. Not only have I seen you drive and text, but just last week you were saying it isn't dangerous to do that.
