Fieldwork Hop Guide!

Across

1. (US) complex, overripe cantaloupe, melon, ruby red grapefruit, hints of dank, bold, juicy
 3. (US) dank, pungent, citrus, cascade on steroids, adds complexity, (Zeus and Tomahawk are other names for this hop but they all grow in different areas, hence the different names)
 6. (Australia) super juicy, pineapple, tropical, straightforward hop, not super complex
 12. (English noble hop) floral, slightly earthy, subtle
 13. (US) super dank, potent, big aroma, citrus, delicate undertones of resin
 15. (New Zealand) subtle but bright, lemon/lime but more lime notes, light lemongrass, soft, citrusy
 19. (Germany) subtle hop, honeydew, cotton candy, lightly floral, light citrus

20. (US) stone fruit, apricot, mild profile, good for saisons and sours
 21. (US) orange marmalade, orange juice, mango, hint of dank, orange peel
 22. (Australia) sauvignon wine grape, white grapefruit, dank, pungent
 24. (Germany) mandarin orange, tangerine, sweet orange peel, bright but not bold
Down
 2. (US) ruby red sweet grapefruit, fruit punch, pink starburst, classic citrus hop
 4. (Germany) sauvignon wine grape, little dank, little citrus, resinous and juicy at the same time, undertone of strawberry banana ice cream
 5. half fruity overripe peach, half super dank, aromatic, dominant
 7. (US) classic grapefruit and pine notes (think of Sierra Nevada Pale Ale)
 8. (US) floral grapefruit, clean (not juicy, not resinous), used in Timberline Winter IPA

9. (US) fruity pine tree
 10. (New Zealand) pine, resin, lemongrass
 11. (US) less known hop, underripe strawberry
 14. (US) pungent, juicy, overripe peach, sweet fruity nose, citrus, fruit punch, bold aroma
 16. (US) extremely complex, white wine grape, decent dank, mixed berry, blueberry, citrus, grapefruit, bold, forefront of beer
 17. (US) grapefruit and floral, "grapefruit blossom"
 18. (US) potent aroma, "pale fruit" (peaches, nectarines, apricot, pear), dank undertones
 23. (US) floral grapefruit, clean (not juicy, not resinous), used in Timberline Winter IPA
