

# Floral Design

**Across**

- 3. The goal of \_\_\_\_\_ design is to create things to sell to customers.
- 5. Increasing interest with differences in size, color, or shape.
- 7. Avoid bruising or \_\_\_\_\_ stems.
- 10. Give the appearance of equal weight on each side of a vertical line.

11. Vases should be \_\_\_\_\_ colors.

12. What is the main focus of a floral arrangement?

**Down**

- 1. Making the parts of your arrangement look as though they fit together in a single arrangement.
- 2. Selecting the proper size of container for the size of the flowers and plant materials.

4. Bright colors or a busy pattern vase will \_\_\_\_\_ from flowers.

6. Choose flowers that have just \_\_\_\_\_ or are about to open.

8. Flowers should be cut at a \_\_\_\_\_ angle.

9. Thursday we are making \_\_\_\_\_ bouquets.
