

Franciscan Foundations

Across

4. Something that St. Francis found through suffering. More than happiness
5. Living this way would be a way to be brought closer to God and it would be giving up things that are unnecessary so that focus can be put on things more important
8. In through which you can be forgiven by doing this and a central value
12. Founder of the Poor Claires and followed God alongside Francis
13. Who ultimately lies at the center of faith, being at the core of Franciscan actions. Who we strive to grow closer to.
14. Something that is important to show to everyone and that God shows ultimately through his willingness to sacrifice Himself
18. Narrative scenes that can help represent the important events of the person such as St. Francis
19. What the orders seek to serve through different ways/ministries to help all
20. The saint who started the Franciscans and gave up all he had to follow God

22. This is being able to forgive and love with God at the front of your actions

24. A physical representation of the wounds of Jesus that St. Francis miraculously received in a want to experience what Jesus did

27. The many groups that were formed from St. Francis that are all connected in their ideals and God

28. The representation of the poor Christ and the way that we may see the kingdom of heaven

29. Of being concerned/involved with religious matters and the growth to God

30. One of the focuses of Franciscans, and a way to grow closer to God through not being blinded by pride.

Down

1. Something that St. Francis accepted wholeheartedly so that he may have grown closer to serve God

2. The unique call that God has for everyone, such as to become a Friar and what St. Francis ended up doing

3. The invasions for the holy land that affected what St. Francis did, including his journey to meet the sultan

6. Someone who was an outcast from society because of a disease and became a key part in Francis' faith

7. The process through which someone is changed, "converted." An example is how St. Francis gave up his ideals of war to follow his faith and God

9. When you take from yourself so that it may benefit others; raising others to be equal to yourself

10. A woman who started a Franciscan order and an example of how Francis' ideals can still live on more recently

11. A vow that Franciscans make to create the commitment to God

15. What St. Francis is the patron saint of and preached to

16. This was what the Sultan gave to Francis as a gift after they met during the crusades

17. A way to grow closer to God and something that can praise God

21. What many people considered Francis to be after he had come back from war and turned to God

23. Where Francis lived and died, becoming a site where pilgrims would come to.

25. The idea that all are connected to God, through perhaps living with slightly different rules.

26. Representation of Jesus's death through which Jesus' humility and love can be seen
