

# Geology

**Across**

- 3. Main zone in the Mantle 1
- 6. Main compositions of the oceanic crust part 2
- 9. Where is the crust located
- 10. What percentage of the earths volume is the mantle

11. How thick is the continental crust,Km

12. Thickness of the mantle:Km

**Down**

- 1. State of the mantle
- 2. Main composition of the continental crusy

4. Main composition of the oceanic crust part 3

5. Main components of the oceanic crust,Part 1

7. State of the crust

8. How thick is the oceanic crust (Km)
