

# Ghost Story

## Across

- 4.** To talk harshly to someone, telling him what he has done wrong.  
**8.** Suddenly to be there; one minute it wasn't there, the next it was!  
**9.** A female servant  
**11.** The 'head bone' which houses your brain.  
**12.** When there are ghosts in a house we say it is -

## **13.** Go into

## Down

- 1.** The place where dead people are buried.  
**2.** A ghost-like appearance of a person or thing  
**3.** To vanish suddenly; one minute to be there, the next it has gone

**5.** To break down a house; to destroy it..

- 6.** The (hundred of) small, hard blocks which are used to build houses.  
**7.** The people - father, mother and children - who live together.  
**10.** The bone structure of your body.
