

Highland Clearances

Across

3. Uprisings by angry crofters who did not want to move.
5. The owners of the land crofters lived on,
8. The occupation of many highland families.
9. The money paid to stay on the crofts.
10. The name of the Commission set up to investigate the Highland Clearances.

Down

1. The revolution in the Highlands that brought about new machinery for farming.
2. Methods used to remove crofters who refused to leave.
4. Areas that were not built up with factories and housing.
6. Landlords wanted to replace tenants with these to make more money.
7. Incentives offered to help crofters emigrate to other countries.
