

# Holocaust: Forgotten Victims

## Across

3. Youngest victim I talked about.

4. Was injected with 5 sharp needles that contained bacteria.

7. put any 5 letter word. THAT HAS TO DO WITH THE HOLOCAUST.

10. This is where most of the torturing was done.

11. Tortured twins for experiments.

12. Taken for their sexuality.

## Down

1. Survived the holocaust, but died of cancer.

2. The number of people estimated to be killed by Nazis.

5. The second largest group of people killed.

6. The only one that I talked about who did not survive.

8. Killed because they were thought to be "unworthy of life".

9. The ones who encouraged this horrific mass murder.
