

# Home Ownership Trends

## Across

- 2. refers to a type of property ownership rather than to a style of house
- 7. one person (or 2 such as spouses) owns the land and house outright
- 9. pay rent to an individual or company
- 10. is the word in Canadian law that means the legal rights you have over your house

## Down

- 1. affordable housing built by a community group, religious group or a \_\_\_\_\_ organization
- 3. housing that's rent is set on what the tenant can afford
- 4. place you live in with another person
- 5. gives you the right to live in it, but not to sell. You are the tenant
- 6. type of subsidized housing
- 8. to have possession of your home. You can sell it when you want to
