# How We Use Language

## Across

- 3. harmful words
- 4. we use them to represent ideas, observations, feelings, and thoughts
- 7. rule that deals with the implications or interpretations of statements
- 8. rule that deals with the punctuation (how you pronounce) of a word

- 10. rule that governs the order of words within phrases and clauses
- 11. rule that has to do with the meaning of individual words

## Down

- 1. words with strongly positive or negative connotations

- 2. the use of informal and unconventional words that often are understood only by others in a particular group
- 5. sugar coating
- 6. some find it funny but it can sometimes be offensive
- 9. a structured system of symbols used to communicate meaning
