

Hungry

Across

6. a place in Canada where all the seeds are kept

7. a place that contains old books, songs, DVD's from the old world

11. the areas within the One World's boundaries where people live based of their rank in society

12. a rude name for a privileged kid living in the inner loop

13. a desolate stretch of land between One World and Canada

14. a tablet/computer that follows the owner around

15. a 3D picture that pops up off of the computer screen

Down

1. the government organization that owns all the land and wants to prevent people from eating real food

2. a law that makes growing food illegal

3. A group of computer hackers that the main character is part of

4. a group of people that want to start a rebellion

5. where food is created... not grown at the Farm

8. a "free" place outside the loops

9. the gene that makes people hungry

10. a blue liquid people of One World take instead of eating (their "food")
