

I am an Animal Cell

Across

- 3. I am the powerhouse of the cell!
- 6. I am the fancy word for fats!
- 8. I am the type of energy created by the mitochondria
- 9. I am selectively permeable
- 11. I am the type of endoplasmic reticulum that makes, packages, and transports fats

Down

- 1. I am like the post office
- 2. I store food, water, and wastes
- 4. I make proteins
- 5. I support organelles
- 7. I send signals to other parts of the cell
- 10. I am the type of endoplasmic reticulum that makes, packages, and transports proteins
