# Ideologies and Perspectives

## Across

3. Control of a country's money supply is the best means to encourage economic growth and limit inflation
4. Unreasonable fear of foreigners or strangers or of what is foreign or strange
5. A secret understanding between two or more persons to gain something illegally, or to appear as adversaries though in agreement
6. A form of government in which power rests with a small elite segment of society
7. Granting people the rights of citizens, especially the right to vote

9. When a recession and high inflation occur at the same time

10. A Soviet ideology of more openness and frankness

## Down

1. The use of a set of messages designed to influence the opinions or behaviours of large number of people
2. International behaviour or foreign policy that takes a country to the brink of war
8. Exclusive control of a community or service that allows the manipulation of prices
