

# In sync with your heart

## Across

3. Procedure takes me out of your throat  
 4. Mr. Bones created me  
 10. I am the cells of life  
 11. I recycle because it conserves  
 12. goalie for the throat  
 13. I can store this for you  
 14. tag you're it = destruction activated

15. I have to return this back to Mr. Bones  
 17. Don't just filter, kill her invaders  
 18. I am first line of this  
 19. I want to ring your neck, if not your throat first  
 20. I eventually will replace Mr. Red Marrow

## Down

1. This collects me

2. to allow you in my node  
 5. I am a certain kind that flows  
 6. You will be more vulnerable to this without me  
 7. I don't belong in outer space, but tissue space  
 8. I have reservations with blood  
 9. I need back my iron  
 16. Filters kill invaders
