

# Into the Deep Past

## Across

4. One measure of capability; judged through the ideas we invent
5. prehistoric era of humanity
8. Full, firsthand understanding of an experience.
10. The set of unique beliefs, customs, and practices of a particular group of people
11. A concept/invention which changes the way a species lives

## Down

1. Seeing evidence of a memory without having lived through it
2. Progression, growth of a species as the result of environmental need
3. hypotheses of events yet to be
6. when it is always best to think about the deep past, now and deep future
7. something that represents a main idea; often seen in visual art
9. Spoken and written communication; can evolve from individual and other cultures over time
