

Les Couleurs

Across

2. Soft snow flakes, cool breeze, The perfect colour cleansed and clean.

4. Dark and Stormy, the darkest colour of them all.

5. You splash in mud, eat your toast, this colour is chocolate ...

7. Fun, dynamic, sunset wonder. Beautiful and rich is this colour.

10. The sky up high, the pond down below. The colour of frostbites on your toes.

11. Pencil Lead, rainy clouds, Guess what colour I may be!

13. The colour of the sweet fresh smelling grass horses gallop across.

14. Warm coloured friendship, sweet tasted plum. What colour may I be?

Down

1. Just this word can change a colour to another shade of brightness

3. Bright shining delicate sun, Bitter sweet, sour lemon. Guess me!

6. Just add this word and everything will become dark

8. Cool, blood, apple, rose. The colour of curtains that opens at shows.

9. The blushing colour on your cheeks, the colour of fluffy candy floss.

12. Orangey red coloured hair, spicy brown. What colour am I?
