

# Lord of the Flies

## Across

- 3.** An attempt to catch the attention of passing ships  
**4.** It is used to gather the boys  
**5.** The thing that frightens the boys into savagery  
**8.** Twins closely allied with Ralph

- 9.** He is smart and often provides the solutions to problems  
**10.** They are used to start fires  
**12.** He loves to cause pain to others

## Down

- 1.** The name given to the sow's head that was an offering to the beast

- 2.** He was the first to realize what the beast was  
**6.** He is wild, cruel, and longs for total power  
**7.** He attempts to coordinate the boys' efforts to make a small, temporary civilization on the island  
**11.** A lasting reminder of the crash
